## Important Information

### Benefit year(s)

Extras annual limits and services are based on calendar years (1 January to 31 December). The date of service determines from which year the benefit is drawn.

Benefits are not payable where the service date is during a period of suspension, whilst the membership is unfinancial, or if the claim is submitted more than two years after the date of service. Receipts will remain the property of myOwn. Please make photocopies prior to submitting claims if you require them for your records.

### Medical Prescribed Appliances (MPAs)

Receipts must be accompanied by a referral from a physiotherapist, chiropractor, osteopath or medical practitioner. The referral must state the patient name and that the purchase is for medical reasons.
